

## Frequently Asked Questions

### Interviewing and Resumes:

#### How can I apply for a position at ServePath?

---

Just go to [ServePath Employment Opportunities](#) and search for a job that you are interested in. Click on the "Apply Now" button.

#### Where can I find a list of jobs you have available?

---

All of the jobs ServePath has available are located [here](#). Search for one you like and apply. We're always excited to hear from new talent.

#### How do I submit a resume online?

---

You can click [here](#) to submit a resume or on any of the "Submit my Resume" buttons located throughout this site.

#### What tips can you recommend for my resume?

---

Just be honest. Tell us what you've done, why you've done it and how you can fit in it at ServePath. A good resume is always organized and in chronological order. Be sure to include some references too!

#### What kinds of long-term career paths do you offer?

---

As one of the Entrepreneur Magazine's Top 500 Fastest Growing Businesses in America (#95), ServePath offers a wide variety of ever-expanding positions in our company. As we grow larger, specialized positions within every department become available as our business needs change. Many of our employees have been here since the beginning and have grown into their roles. ServePath encourages promoting from within and allowing our employees to get on a career path that aligns with their growth goals.

#### Do you offer internships?

---

In fact, we do! Check out the internships we currently have available [here](#).
